

## DRIVING INSTRUCTIONS (GPS doesn't work properly)

Arrive with the GPS to the gate **Porta Tufi (strada dei Tufi)**  
 Enter and go IMMEDIATELY RIGHT direction PARKING IL CAMPO in via Fontanella;

Pass the entrance of Parking Il Campo and on the top of the street go left in via Sant'Agata (long 100 mt)

Go right inside Arch San Pietro and immediately SHARP RIGHT in via Casato di Sopra.

This will become via Casato di Sotto and arrives in the main square Piazza Il Campo.

At the Piazza take the first street on the right, this is via Giovanni Duprè. We are at number 11 (on your left hand) and the RECEPTION OFFICE is at number 44 (on your right hand).

All this are short streets and the total distance from the gate Porta Tufi to the B&B is **1 km**, but inside the medieval walls the streets are all one-way-street and people walk in the middle, so try to go slowly paying attention to the names of the streets.
